Restoring Hope Transplant House is a non-profit facility in Middleton that will soon offer comfortable and affordable housing to transplant patients and their caregivers while they are in the Madison area receiving life-saving treatments at nearby medical facilities.

The Transplant House is currently closed until the necessary funds have been raised to finish renovations.

Upon completion, the House will feature 16 bedrooms each equipped with a private bathroom and shower, modern kitchen and dining facilities, community areas and laundry.

In order to raise funds to remodel the House and provide ongoing financial support, this annual community-supported bike event was started last year. Last year's ride generated about 300 registered riders and many more supporters. We're hoping for another great event in 2011.

Please join us on May 14th for a day full of fun activities at Capital Brewery in downtown Middleton. Take part in one of 3 bike courses and enjoy good food, drinks, music and a raffle in the Capital Brewery beer garden.

The Hope Ride entry fee is \$40. Riders 12 and younger are \$10. Family Registration (2 adults and 2 or more kids 12 and younger) is \$90. Fees include a t-shirt. After April 22, 2011 costs for all levels increase by \$5 and shirts are not guaranteed.

The start and finish lines will be located between the Transplant House and Capital Brewery and offer three bike courses from a fun 5K family course to 50K and 100K courses for more serious bikers.

Riders are strongly encouraged to take advantage of online registration and fundraising. For further updates, please visit the Hope Ride website:
